

“ROMANTIC ROMANIA”

8 days All-road tour

This tour is a cooperation between *Adventure MC Tours of Norway* and *Explore360° - Motorcycle adventures*. We work closely on our tours to Norway, Morocco, Iceland, Nepal and as well in Rumania.

This tour is for the gravel enthusiast who likes gravel touring and is the perfect tour if you'd like to see the real and remote Romania. Exploring it by driving through small villages, living the good life in cosy hotels or guesthouses and have an amazing adventure on gravel roads both in the mountains and in rural surroundings. Off course will the famous *Transfăgărășan* and *Transalpina* not be missing in these adventures!

Approximate 1200 km on curvy tarmac and (easy) gravel roads.

Level of riding: Beginner/Medium (level 2). You need some experience with gravel riding and/or have attended an off-road course like with [ORS Wales](#) (level 1 or 2), BMW Hechlingen in Germany, Touratech in Sweden or similar).

Observe: all riding is with panniers or soft luggage.

Group size: minimum 6 and maximum 10 riders.

Start/end tour: Bucharest, Rumania. Six riding days in total.

Guide(s). A representative of Adventure MC Tours of Norway or Explore360° and a local guide will show you the best side of Rumania. So adventure is guaranteed!

Group size. Minimum is 6 participants and maximum 14 (two guides/two groups).
